

Dear Colleagues!

The Organizing Committee invites you to participate in the **15th International Scientific and Technical Conference “Problems of the railway transport mechanics,”** which will take place on

May 27 – 29, 2020

in Dnipro National University of Railway Transport named after Academician V. Lazaryan (DIIT).

The following **sections** will work during the **conference**:

- **safety of trains motion, transitional regimes, energy saving;**
- **vehicle-track interaction, wheel and rail wear;**
- **strength, reliability, diagnostics.**

Registration fee for the conference participant is **€250** which includes participation in the conference, publication of abstracts and articles, handouts (a program, abstracts, notepad, pen, folder, informational materials) coffee break, lunches, gala dinners, sightseeing events.

Guidelines for the conference participants to transfer registration fee in Euros:

E-mail: dzbs.buch@gmail.com

Контакти: +38 (056) 787-03-38
+38 (067) 283-63-32

Important Dates

to participate in the conference

February 15, 2020	Registration
March 20, 2020	Abstracts and articles submission
May 1, 2020	Registration fee submission (€250)
May 27, 2020	Conference opening

The most interesting and topical papers will be presented, discussed and published during the conference.

The **working languages** are Ukrainian, Russian and English. Simultaneous translation will be provided.

Conference proceedings supposed to be publishes in one of two issues:

➤ **articles** will be published in IOP Conference Series: Materials Science and Engineering, which is referred also by Scopus (further – IOP Proceedings);

➤ **abstracts** will be published before the conference in the book “Problems of the railway transport mechanics” (further – PM).

Articles, which you would like to publish in IOP Proceedings, should be submitted before March 20, 2020 (by the E-mail pmconf@diit.edu.ua or vc.dnuzt@gmail.com) with the mark «**An article** to IOP Proceedings».

Articles for the IOP Proceedings should be written in English, with 5-7 pages length including the abstract and references. Try to fill in the last page completely. Articles should be

written in accordance with the requirements given in the conference site <http://pmconf.diit.edu.ua>.

Before sending the article should be ready for publishing. The changes after the publication are not allowed, so be sure that there are no mistakes.

An article template, written in accordance with the above mentioned requirements in MS Word edition can be uploaded from the reference: <http://conferenceseries.iop.org/content/authors>.

Attention! Articles inadequate to the requirements will not be considered!

All the articles for the IOP Proceedings will be reviewed by the two international experts.

If the decision about the article publication is positive, the authors will receive it in *pdf format for the final approval and signing the license conditions of the IOP Proceedings. Signing this license the author guarantees that the article is original, has not been published earlier, does not infringe any rights of the other persons.

The abstracts should be sent by e-mail and also in hard copy in Ukrainian, Russian or English (by the E-mail pmconf@diit.edu.ua or vc.dnuzt@gmail.com with the mark «**An abstracts** to PM») in **WinWord 7.0 or higher**. The abstracts should fit in 1 page of A4 format paper with 1.0 spacing and 12pt Times New Roman font. Margins are: left – 30 mm, right – 10 mm, top and bottom – 20 mm.

Abstract layout: paper title (bold, 12pt, with capital and small letters, centered); then skip one line and place the last name and initials of the authors, their organizations, mailing address (centered). After one line skipped place the abstract summary (up to 5 lines, centered). Then skip another line and place the body text (with double side alignment). The abstract should not contain figures, references and formulae (if possible). The authors are responsible for the style, provided information and formatting. The text should cover the full pages.

Additional information, including:

- detailed guidelines for abstracts and articles preparation;
- deadlines for their submission;
- conference program;
- accommodation available;
- transportation etc

can be found on the conference site
<http://pmconf.diit.edu.ua>

Organizing Committee address:

Ukraine, 49010, Dnipro, Lazaryan St., 2, DNURT,
Industry Research Laboratory of Dynamics and
Strength of Rolling Stock

mechanics»

REGISTRATION FORM

1. Full name

2 Academic title, position

3. Country, Company / University/ Institute title
and abbreviation

4. Telephone, fax, e-mail

5. Section, paper title (if planned)

6. Necessity to make hotel reservation

7. Dates of arrival and departure, kind
of transportation
